INVITATION TO SUBMIT QUOTATIONS

Subject: Technical Inspection and Valuation of Motor Vehicles and Equipment for Public Auction

Mulindi Factory Company Ltd (MFC Ltd) invites qualified, experienced and independent motor vehicle assessors/valuers to submit competitive quotations for the provision of technical inspection and valuation services for the Company's vehicles and equipment earmarked for disposal through public auction.

1. Scope of Assignment

The successful service provider should be required to physically inspect the assets, assess their mechanical and general physical condition, establish their operational status and determine their current market values.
The assignment shall cover the following assets:

No.	Registration No.	Make/Description
1	RAC 849P	Hino
2	RAC 853P	Hino
3	RAC 855P	Hino
4	RAC 468M	Ashok Leyland
5	RAB 664T	Daihatsu
6	RAC 390V	Tractor
7	RAC 386M	Toyota Hilux

2. Specific Requirements

The inspection and valuation exercise shall include:

- Assessment of the general mechanical and physical condition of each asset.
- Examination of major components, including the engine, transmission, chassis, bodywork, tyres and other relevant parts.
- Identification of major defects, missing components and necessary repairs.
- Confirmation of whether each asset is operational or non-operational.
- Determination of the current fair market value and recommended auction reserve price for each asset.

3. Documents to Be Submitted

Interested service providers shall submit the following:

i. Company profile and valid business registration documents.
ii. Evidence of relevant professional qualifications, licences or accreditation, where applicable.
iii. Evidence of relevant experience in motor vehicle inspection and valuation, including references or previous assignments.
iv. Technical proposal outlining the proposed approach and methodology.

v. Financial quotation indicating the cost of the assignment, preferably with a breakdown for each asset.
vi. Proposed timeframe for completing the assignment and submitting the final report.
vii. VAT certificate.

4. Expected Deliverable

The successful service provider shall submit a comprehensive valuation report for all seven assets, indicating their identification details, operational status, physical and mechanical condition, major defects, estimated fair market values and recommended auction reserve prices.

5. Evaluation and Selection

Submissions shall be evaluated based on the service provider's professional qualifications, relevant experience, technical approach, proposed completion period and quoted price, in accordance with the Company's procurement procedures.

6. Submission of Quotations

Interested and qualified service providers are invited to submit their quotations in sealed envelopes addressed to:

The Managing Director
Mulindi Factory Company Ltd
Gicumbi District, Rwanda.

Or by email to
